

THE TIME JUMPERS COMMENT ON DAWN SEARS' PASSING

Arrangements Announced

NASHVILLE -- December 15, 2014 -- The Time Jumpers have released a statement regarding the death of their longtime friend and bandmate Dawn Sears:

“Dawn was a beautiful woman, a loving mother and wife, a ferocious spirit who fought to the end with grace and dignity. She was wickedly funny, generous with her time and compassion, and, of course, one of the most boundlessly talented singers any of us have ever heard. Her spirit is free now and she sings among the stars.”

The band will not be making its regular Monday night appearance at 3rd & Lindsley in Nashville tonight.

Funeral arrangements have been announced for the powerhouse vocalist who was also a member of Vince Gill’s touring band. Sears died on Thursday (Dec. 11) after a long battle with lung cancer. A link to her complete bio is listed below.
