

JON POUSETTE-DART HEART & SOUL

HEART & SOUL the long anticipated release from **Jon Pousette-Dart** is a masterful mix of current stylistic textures, mixed with the roots, rock and folk influences that has become Jon's trademark.

Between 1976 and 1980 Pousette-Dart captained the Pousette-Dart Band through four albums for Capitol Records, a run that acquainted a generation with his formidable gifts as a singer, songwriter, guitarist and all-around musical adventurer. During this time, the Pousette-Dart Band became one of the busiest touring groups in the U.S. working with such acts as the Byrds, Bonnie Raitt, Little Feat, James Taylor, Peter Frampton, Yes, the J.Geils Band, Eddie Money, Journey and Billy Joel.

The songs on the self-produced **HEART & SOUL** show an artist in full command of his talent. "I wanted to produce something that documents the place where heart and soul meet," comments Pousette-Dart. "It was really great to get to work with some fabulous players including the guys from the original Pousette-Dart Band (John Troy, Eric Parker and John Curtis on "Under The Spell Of You"), Toni Lynn Washington (on "Heart And Soul" and "Shake Me") and stellar drummer Billy Ward. Top mixing and mastering engineer Jim Chapdelaine (known for his work with Trans-Siberian Orchestra, Phoebe Snow, Clarence Clemons...) helped to make **HEART & SOUL** a timely, compelling, and unique musical statement.
